THE SALT TABLE

These are The Salt Table's top 10 selling flavors. The Salt Table are recipients of the **Entrepreneur of the Year Award** as well as the **Retailer of the Year**. These unique, mouth-watering salts and seasoning blends are hand-blended in Savannah, GA. They are simply amazing. The Salt Table brand is synonymous with southern style and hospitality. These products are easy sellers and will help bring success to any fundraising endeavor or event!

400 - All Round Good Grinder Blend – This is the best-selling blend, by leaps and bounds. It features Himalayan salt and is 100% natural ... and great on everything. Grind it on meats or into hamburger. Try it in eggs, ground over salads, on fish, chicken, steaks, and grilled vegetables. Grind it in olive oil for bread dipping. It's also a great substitute for salt and pepper. This will have your customers thanking you! Comes with reusable grinder top.

Ingredients: Pink mineral salt, mixed peppercorns, minced onion, minced garlic, parsley, chili pepper, crushed red pepper, cayenne, cumin, oregano

856 - Savannah Summer Salt and Rub – Just looking for something easy to shake on fries, burgers, steaks, corn on the cob, potato salad, anything that says "Hello!" to all your favorite summer time (and year round) foods. If you are looking for the perfect season all salt, this is it.

Ingredients: Pink mineral salt, onion, paprika, garlic, black pepper, coconut sugar, parsley, chili pepper, cumin, oregano, cayenne, crushed red pepper

879 - Savannah Sizzle Seasoning and Rub – This is a great blend of Himalayan pink salt, combined with lots of peppers (cayenne, habanero, ancho chili, smoky paprika, chipotle, black pepper) and other great flavors to make a blend that sizzles. The pepper flavors burst out first and the heat comes later. It will definitely become a favorite among the hot lovers!

Ingredients: Pink mineral salt, chipotle powder, cayenne, ancho chili, Hungarian paprika, garlic powder, onion powder, natural cane sugar, black pepper, habanero powder, parsley, cumin, celery seed

1127 - River Street Cobblestone Blend – Inspired from centuries of herbs shipped to the old warehouses along the Savannah River. This blend combines flavorful mineral salt and a savory mix of herbs and spices that will make a distinctive difference to foods. Comes with reusable grinder top.

Ingredients: Pink mineral salt, minced onion, minced garlic, dried diced jalapeno, dried diced celery, cilantro, crushed red pepper flakes, parsley, basil, chives, and oregano

1128 - Savannah Spanish Moss Blend – This blend invokes thoughts of Spanish moss draped Live Oak Trees that grace the squares of Savannah. This savory blend will introduce a surprising twist to chicken and fish dishes, as well as casseroles. Perfect for eggs!

Ingredients: Pink mineral salt, garlic, onion, parsley, black pepper, rosemary, cayenne, thyme, sage

692 - Southern Herb Garden Blend – This is our special blend developed for herb and salt lovers, in a re-usable grinder bottle. Excellent on sliced, fresh summer tomatoes! No onion, garlic or pepper. This coarse grain blend comes in a bottle with a re-usable grinder top.

Ingredients: Natural sea salt, parsley, chives, rosemary, basil, celery seed, sage, marjoram, cilantro, dill

672 - Smoked Onion and Garlic Sea Salt – What a fantastic statement of smokiness and flavor! This is natural sea salt smoked over real alder wood. Try it for seasoning meats, salads, eggs, beans and burgers. This coarse grain blend comes in a bottle with a re-usable grinder top.

Ingredients: Natural sea salt smoked naturally over alder wood, minced onion, minced garlic

75 - Himalayan Pink Salt, Coarse Grain – Himalayan Pink Salt is one of the purest salts available on earth. Mined from deep in the Himalayan Mountains, this salt crystallized more than 200 million years ago and remains protected from modern-day pollution and impurities. It contains more than 84 trace minerals and none of the additives or aluminum compounds found in refined table salt. This salt truly does what salt is supposed to do – it enhances flavor, doesn't just make food taste salty. We've put these coarse grains in a reusable grinder bottle.

Ingredients: Pink mineral salt

79 - Himalayan Pink Salt, Fine Grain – Himalayan Pink Salt is one of the purest salts available on earth. Mined from deep in the Himalayan Mountains, this salt crystallized more than 200 million years ago and remains protected from modern-day pollution and impurities. It contains more than 84 trace minerals and none of the additives or aluminum compounds found in refined table salt. This salt truly does what salt is supposed to do – it enhances flavor, doesn't just make food taste salty.

Ingredients: Pink mineral salt

1143 - Savannah Live Oak Lime and Pepper Blend – This blend is recommended for fish and chicken, also great on vegetables. The combination of tangy citrus and kick of black pepper is outstanding.

Ingredients: Natural sea salt infused with lime, coarse black pepper, onion, garlic parsley
